Today's Agenda

Dataset 2

Simple OLS Assignment

Justin Leinaweaver (Spring 2022)

Dataset 2: Simple OLS Assignment

The Motivating Problem

- Why do some countries attract greater levels of investment than others?

Operationalizing the Outcome

- Foreign direct investment, net inflows (BoP, current US$)

Dataset 2: Simple OLS Assignment

Details on Moodle under the "Assignments" tab

Required Report Structure

1. Introduction
2. Body
3. Conclusion
4. Bibliography

Required Report Structure

1. Introduction

   - What is the question?

   - Why should we care?

   - Thesis statement

2. Body

3. Conclusion

4. Bibliography

Required Report Structure

1. Introduction

2. Body

   - Each premise gets its own paragraph(s)

   - Each premise REQUIRES evidence

3. Conclusion

4. Bibliography

Required Report Structure

1. Introduction

2. Body

3. Conclusion

   - What did you find?

   - How confident are you in the results?

4. Bibliography

Required Report Structure

1. Introduction

2. Body

3. Conclusion

4. Bibliography
   - List the source of all external arguments and data used
